ACKNOWLEDGEMENT

I would first like to thank my research guide Dr. Ramkumar Ketti Ramachandran, Associate Professor -Research, CURIN, Chitkara University. Due to his positive approach, guidance and constant support, I have been able to complete my PhD work successfully.

I would also like to thank the experts who were involved in the assessment of this study: Dr. Pankaj Kumar, Professor and Dean PhD Programme, Dr. Surya Narayan Panda, Professor and Director Research, Dr. Sachin Ahuja, Professor and Director Research. Without their guidance, suggestions and comments, it was impossible to come this long way. And also, I would like to thank Ms. Deepika Sharma, Assistant Manager, Office of PhD Programme, for always being positive and supportive.

Special thanks to my spouse, Mr. Abhijit Agnihotri, my father Mr. Sushil Sharma and my mother Mrs. Asha Sharma, who are the pillars of my strength and hard work. They have always shown confidence and trust in me and actually believed in my efforts throughout my years of study and through the process of researching and writing this thesis. This accomplishment would not have been possible without them. I am thankful to my children, Anirudh Agnihotri and Aaryan Agnihotri, whose quality childhood time I have filched and spent in bringing up this study. Their co-operation is the maximum. I must express my very profound gratitude to my father-in-law, Mr. K.K. Agnihotri, my mother-in-law, Mrs. Chanderkanta Agnihotri, my brother, Mr. Abhishek Bhardwaj and my best friend Dr. Rina, for providing me with unfailing support and continuous encouragement. Also, I am very thankful to Dr. Liza Nanda who spared her precious time and helped me out in proof reading this dissertation.

I am thankful to the Almighty, for being so kind and giving such beautiful people around and making me what I am and HIS grace has led me to complete this study. And I am thankful to everyone who has helped me in direct or indirect way at every step.

(Shailja Agnihotri)
