Dedication

I am dedicating this thesis to the closest people in my life who have meant and continue to mean the world to me. First and foremost, to my father, whose love for me knew no bounds and, who taught me the value of hard work and patience. My dad, from whom I learnt to have a big heart and also learnt the art of keeping my emotions in control. I am thankful to my mom, who raised me, loved me, made me strong and taught me to always follow my dreams. My brother, who has been my friend throughout, can’t forget every time he was made the scape goat but without any complaints. Thank you bro, for being there always.
